

General Information Session

Students who have failed modules are invited to attend a general information session. The presentation will provide information regarding credits and progression, repeat dates and fees.

Date: Monday, 4th Feb 2019

Time: 2pm

Venue: Douglas Hyde Theatre

Service to Students

Lecturing staff from each faculty will be available to discuss your results and provide feedback on your academic progress. Please contact your lecturer via email to arrange an appointment.

Date: 1st – 7th February

Viewing Examination Scripts

Following the issuing of examination results, examination scripts may be viewed during the Service to Students on the dates outlined above.

The responsibility for requesting an opportunity to view an examination script lies with the student who sat that exam. The student should contact the individual lecturer to make an appointment. In the event of a student wishing to view their script independent of the lecturer, they should contact the Faculty Office to make appropriate arrangements.

You will be supervised while you view your script and will not be permitted to make copies or take photos of your script. Viewing is limited to the current semester results only.

Appealing your results
